## IMPORTANT INFORMATION

**Remit Payment Address:**

3760 State Route 225  
Dornsife, PA 17823

**Payment Drop Station:**

3760 State Route 225  
Dornsife, PA 17823

**Please detach and return stub with payment.**

**Payment Due Date:** Your bill is due by the 15th of the second month of the quarter. Please contact us if your payment will be past due. A minimum of a \$2.00 charge will be applied on past due accounts.

**Errors On Your Bill:** Contact us immediately if you find an error on your bill.

**Billing Address/Phone Number Changes:** If your billing address or phone number changes, please check the box on the front of the payment stub and provide your new information in the space provided below.

**Fees and Charges:** All accounts put on Suspend due to non-payment will incur a \$15.00 fee. To reinstate service, the account balance due to the end of the quarter must be paid in full unless other arrangements have been made. A \$30.00 fee will be applied for all bounced checks.

**Collection Times:** All garbage needs to be set out the night before your pick-up day. Your pick-up time may change from time to time; placing garbage out the night before avoids missed stops.

**Extra & Overweight Garbage:** Anything not completely inside the cart/container, not considered everyday household trash, or more than your service rate allows is considered extra garbage and may be charged an extra fee.

If your garbage is overweight there will also be additional fees. Note that yard waste, kitty/dog litter, and burn ashes are very heavy and, if you have a significant amount in your garbage, you can expect additional charges. For more info on our overweight guidelines please call us.

**Moving:** It is the customer's responsibility to stop or transfer service. If you plan to move or transfer service to a new location, please notify us so we can schedule the change and make the necessary adjustments. Outgoing customers are held responsible for service until notice is given.

## THE "NO THROW" GUIDE

### PLEASE DO NOT THROW AWAY:

- Electronics
- Hazardous Material (such as wet paint or oil)
- Appliances Containing Freon
- Tires
- Batteries

All these items are recyclable and CANNOT be hauled to a waste facility by law. We will leave them at your service location if they are found in your garbage.

To learn more about recycling these items, please contact your local recycling center.

### Please Help Us Help You

It is our responsibility to:

- Provide service in a timely manner.
- Provide a neat and clean service.
- Provide containers and carts that are in working condition, and make sure they are maintained.

It is the customer's responsibility to:

- Pay your service fee in a timely manner.
- Make sure your garbage is out for pick-up on time and is accessible (roadside and not overweight).
- Make sure your container, cart, can, or bag is neat and clean.
- Keep cans/carts that you own in working condition.
